## SUMMARY

AI Engineer with 3+ years of experience delivering production LLM applications, multi-agent systems, RAG pipelines, and enterprise automation with Python, FastAPI, LangChain, LangGraph, and LlamaIndex. At Omnisys, built AI systems that cut supplier onboarding time by 40%, reduced purchase approval time from 3 days to under 4 hours, and saved 200+ hours per month of manual review. Designed and built SpecWrite, a 4-agent procurement readiness checker with an LLM evaluation harness and measured cost of about $0.07 per check. Strong backend foundation in microservices, REST APIs, PostgreSQL, Docker, and AWS.

## SKILLS

**Languages:** Python, Java, JavaScript, SQL
**Generative AI:** OpenAI GPT-4/GPT-4o, Prompt Engineering, RAG, AI Agents, Agentic AI, Multi-Agent Systems, Tool Calling, Structured Outputs (JSON Schema), Prompt Caching, Human-in-the-Loop, Hallucination Mitigation, Multimodal AI, OCR
**LLM Evaluation:** Evaluation Harnesses, LLM-as-Judge, Automated Testing (pytest), LLM Cost Optimization
**Frameworks:** LangChain, LangGraph, LlamaIndex, CrewAI
**Vector Search:** FAISS, ChromaDB, OpenAI Embeddings, Semantic Search
**Backend:** FastAPI, Django, Flask, Spring Boot, Pydantic, asyncio, Node.js, REST APIs, Microservices, PostgreSQL, SQLAlchemy
**Cloud & DevOps:** AWS (EC2), Docker, Git, CI/CD
**Document Processing & Automation:** PyMuPDF, python-docx, openpyxl, n8n, Microsoft Copilot Studio, UiPath

## EXPERIENCE

### AI Engineer / Python Backend Developer — June 2024 – Present

*Omnisys Solutions, Pune*

**SpecWrite – AI Procurement Readiness Checker** | *Python, FastAPI, OpenAI API, Multi-Agent Orchestration*

- Built a 4-agent system (Supplier, Sustainability, Commercial, Scope) that reviews procurement documents (Word, PDF, Excel, images) and reports open gaps, gap owners, and priority next questions for buyers.
- Designed a shared context layer, a referee step that de-duplicates and ranks findings, and domain playbooks for cold storage, ERP, and building retrofit.
- Built an LLM evaluation harness (LLM-as-judge, 148 automated tests) and held cost to about $0.07 per check through usage tracking and prompt caching.

**RAG Supplier Onboarding Assistant** | *LlamaIndex, FAISS, OpenAI GPT-4, FastAPI*

- Cut supplier onboarding time by 40% with a RAG pipeline over 500+ supplier documents, achieving 92% retrieval accuracy.
- Deployed as a FastAPI microservice integrated with the company ERP system with zero downtime.

**Agentic Purchase Cycle Orchestrator** | *LangChain, GPT-4 Tool Calling, REST APIs*

- Reduced purchase approval time from 3 days to under 4 hours with a tool-calling agent for PO creation, inventory checks, approval routing, and vendor communication.
- Rolled out across 5+ departments, cutting purchase cycle time by 30%.

**AI Document & Image Data Extraction** | *GPT-4o Vision, LlamaIndex, Python*

- Achieved 95%+ accuracy on critical fields across 15+ document types (invoices, contracts, forms) with a multimodal extraction pipeline.
- Processes 500+ documents per month with built-in validation.

### Java Backend Developer Intern — Jan 2024 – May 2024

*Hackveda Limited, Delhi*

- Built real-time IoT data microservices in Spring Boot processing 10,000+ events per hour with sub-second latency.
- Developed modules for financial analytics and trading systems with real-time market data feeds.

### Full Stack Developer Intern — June 2023 – Sep 2023

*Rudra Softwares, Rajkot*

- Shipped 2 production Flutter mobile apps with REST API integration and real-time data sync.
- Built a Django and PostgreSQL backend with secure authentication and production deployment.

### Junior Web Developer — Feb 2021 – Oct 2021

*Craft Box Technologies, Rajkot*

- Built and maintained 5+ responsive production websites using HTML, CSS, and JavaScript for corporate and e-commerce clients.

## EDUCATION

### Master of Computer Applications (MCA) — June 2022 – May 2024

*MIT World Peace University, Pune | CGPA: 7.98/10*

### Bachelor of Computer Applications (BCA) — Aug 2019 – Apr 2022

*Saurashtra University, Rajkot | CGPA: 7.67/10*
